COURSE OVERVIEW

10/11 - 10/13

Internal Affairs, Professional Standards and Ethics

Safeguarding the Commitment to Excellence

Hosted by

The process for managing and investigating complaints against law enforcement personnel can be complex, sensitive and highly-charged. This two and one-half day, nationally prominent program will provide participants with the knowledge and insights required to conduct and administer timely, objective and thorough internal affairs inquiries.

Topics

- Use of Force and Preliminary Force Investigations
- Workplace Searches
- Compelled Statements and Exculpatory Evidence
- The Professional Standards Concept
- Interviewing the Accused
- Due Process Rights
- Concepts of Police Discipline
- Initiating the Complaint Process
- Beginning the Investigation
- Litigation Terms and Concepts
- Truthfulness and Other Issues
- Ethics and Ethical Decision Making
- Duty of Care

Who Should Attend?

Law Enforcement Internal affairs investigators and managers; police department legal staff; and law enforcement supervisors and executives
