## “UNDERSTANDING THE MEXICAN CARTELS & ‘NARCO’ CULTURE”

**Over 1,200 tangible items brought for you to learn!!**

This course covers the complexities of the Mexican Culture in regards to its history, religion, politics, law, traditions, folklore and much more. The Course provides law enforcement professionals, and other investigators the tools to recognize indicators/factors/items of interest of non-criminal activity versus those of criminal activity. Participants will develop a more thorough understanding of the Mexican culture, and as such be able to provide better service to their ever-changing communities. The beginning of the course has been described as a “cultural awareness class on steroids”, as it relates to both criminal and non-criminal behaviors.

During the course, a heavy emphasis will be placed on the “Narco Cultura” (Mexican Drug Cartel Culture), including but not limited to: “Narco” fashions, symbols used, and individual information on the most powerful groups, their splinter groups and their tactics. Officers will also be taught on the difference between “Folk Saints” and “Patron Saints”; and detailed, extensive instruction on the “Narco Saints” will be presented with the use of a large “Narco shrine” (over one thousand items), other tools and actual hands-on practical exercises; which now includes a how-to skill in reading and/or interpreting a multitude of different religious shrines.

It also focuses on current trends and drug trafficking in the U.S., additional subjects including Anti-Bias Policing, Community Policing, Officer Safety, Marijuana issues, Reclassification of the Cartels into Foreign Terrorist Organizations, the “Plaza” system, the “King Pin Approach”, “El Culiacanazo 1.0 and 2.0”, the current Fentanyl crisis, effects of the COVID-19 pandemic on drug trafficking, growth of Cartel Jalisco Nueva Generation (CJNG), China and the Cartels, US/Mexico Diplomatic Environment, and much more.

This will benefit ANY investigator, as well as many others in any field of assignment (i.e. CID, Patrol, K9, Interdiction, Detentions, Gangs, Narcotics, Violent Offender Task Forces, Crime Prevention, SRO, Intelligence, Fire Marshall, etc), that may encounter signs of innocent cultural beliefs or warning signs of illicit activity. Furthermore, this training has been a valuable asset in investigations ranging from simple interactions with the public to traffic stops, from burglaries and arson investigations to a double homicide/assassination and auto theft to a separate murder investigation with six victims involving the “highjacking” of Santa Muerte.

Detective Victor Manual Galarza Abizaid, considered a subject matter expert by the 22nd and 13th Judicial Districts in the State of Colorado in narcotics investigations, the Mexican Cartels, their “Narco Culture” and Criminal Interdiction. ### Testimonials

“I was visiting with a colleague about your class and how valuable the information is for the current modern day police professional. I came out of the course with a sense of passion for wanting to learn more! So proud to see that someone was finally able to put something like this together - you should be proud of the work you put into the curriculum, and the way you connect everything together. It was truly the best interdiction training I have ever attended in nearly 30 years!! Keep fighting the good fight brother!  
Sgt. Lee Coronado, Texas DPS - North Texas Region

“Victor’s knowledge of the culture of Mexican Cartels surpasses any other. I have been to many interdiction and cartel classes that teach on a flat level when it comes to “Narco Religious Culture”, but Victor breaks down the history of the religious culture and how it is incorporated into today’s cartel world for one of the best teaching techniques I’ve seen.”  
Undersheriff Dennis Garcia  
Quay County Sheriff’s Office New Mexico

“As a law enforcement officer devoted to training and educating our police professionals, I absolutely recommend and support agencies who include Galarza’s training in their regimen.”  
Operations Lieutenant, Mountain Village P.D. (CO)

“Just wanted to let you know about a drug case that we just assisted the DEA with in Aurora. We found large amounts of heroin and cash. I was the only one on scene that had any idea of what the majority of the items found at the residence were because of your class!!!! Which was hosted by the CATI on 2021. Thank you for the wealth of information”  
Deputy Thomas L Sandoval, Arapahoe County Narcotics Team

“The information you presented went above and beyond what I expected and I came out with a better understanding of the situation that affects not only Colorado, but the nation as a whole.”  
(Former) Congressman Scott Tipton, U.S. Congress Third District (CO)

“Victor’s personal and professional experience is one of a kind. It is one thing for someone to read information of a PowerPoint, but Victor takes his experience and knowledge to a new level with a “no hold bars” approach to the information.”  
Chief Rodney Paris
