

Behavior Analysis Training (BATI)

BATI Investigative Interview & Interrogation Training (40-Hours)

Host Agency - McKinley County Sheriff's Office

January 19 - 23, 2026 / 8:00 am - 5:00 pm

COURSE DESCRIPTION

This 40-hour course is designed to introduce law enforcement personnel to a method of interviewing skills grounded in scientific research and evidence-based application.

Core components include the cognitive interview, rapport-building strategies, structured questioning models, and scientifically supported methods for evaluating verbal and nonverbal behavior.

This class emphasizes practical application through scenario-based exercises and case studies, ensuring that participants leave with tools they can apply immediately and confidently in the field.

BATI's training emphasizes the accuracy, reliability, and ethical integrity of interviews conducted during criminal investigations, witness interviews, and suspect interrogations.

WHO SHOULD ATTEND?

This class is open to all sworn & civilian investigators, Parole & Probation Agents, Arson Investigators, Polygraphers, Background Investigators, Internal Affairs Investigators & Patrol Officers - If you are conducting interviews in-person, or over the phone, this class is for you! This course is a continuous curriculum for career education.

A laptop/tablet is encouraged.
