"This was the best and most important law enforcement training I have ever received. There are no gimmicks – it is simple, straightforward, and effective. I was able to begin using the PEACE system immediately on returning to work, and it has already improved the way I interview. The PEACE method of interviewing should be the standard in American law enforcement"

- FBI Special Agent

P.E.A.C.E 5-DAY INVESTIGATIVE INTERVIEW COURSE

This insightful and highly practical five-day course is designed to equip you with relevant skills and techniques on how to conduct effective interviews with victims, witnesses and suspects with integrity and in accordance with corporate guidelines, the law and regulations.

It is founded upon the principles of a widely used and acclaimed framework known as the 'P.E.A.C.E.' Framework of interviewing, internationally recognized as the most ethical, and thoroughly proven model to guide the interview process.

BY THE END OF THE COURSE STUDENTS WILL BE ABLE TO

- Obtain the internationally recognized Certified PEACE Investigative Interviewer (CPII) accreditation
- Understand and be able to apply the P.E.A.C.E. framework of interviewing
- Equip participants with the skills to process investigation in the most efficient and effective manner to achieve successful outcomes
- Raise and accelerate staff confidence and enhance their professional development
