Good Morning,

In reference to the proposed amendment 10.29.1.14(H), making a stenographic record of hearings an option, at cost to parties, as a Hearing Officer, I submit that a transcription of the proceeding is far more accurate and lends itself to a more thorough, complete report, easier to complete within the required timeframe.

Transcriptions of hearings should be required, establishing a clear, accurate record, from which all parties benefit.

Thank you,

Brian Carr
