10.28.8.7 DEFINITIONS: [RESERVED]
[10.28.8.7 NMAC - N, xx/xx/2026]

10.28.8.8 POLICE OFFICER MINIMUM STANDARDS OF TRAINING:

A. The Standards and Training Council shall approve the minimum standards of training for the academy's basic law enforcement training program and certification-by-waiver program. This curriculum shall be the standard curriculum for all regional satellite academies and certification-by-waiver programs. The LEOCE shall be based on this standard curriculum. The academy and regional satellite academies may add additional content to the standard curriculum, as long as that content is accredited. The additional content may not replace the standard curriculum unless that part of the curriculum conflicts with state or federal law and has not yet been formally updated by the academy.

B. The physical fitness entrance examination shall be administered no earlier than forty-five (45) days prior to the start date of the academy.

C. Fitness standards for basic police officer training academy entrance and exit standards. All entrance times were set by the NMLEA Board on September 3, 2014, with the altitude adjustment adopted by the NMLEA Board on June 8, 2016. Physical fitness testing standards:

>6000' + 40 sec adj.	Entrance Standard	Exit Standard
1.5 Mile run	15:54	14:15
300 Meter	71.0 sec	64

EXHIBIT 6

Sit-ups (1 min)	27	37
Push-ups (1 min)	15	25
<6000'	Entrance Standard	Exit Standard
1.5 Mile run	15:14	13:45
300 Meter	71.0 sec	64
Sit-ups (1 min)	27	37
Push-ups (1 min)	15	25

*20-minute mandatory rest period between the 1.5-mile run and the 300-meter run.

Sit-ups: The student starts by lying on their back, knees bent, heels flat on the floor, fingers placed behind the ears. The partner holds the feet down firmly. In the up position, the student should touch the elbows to knees and then return until the shoulder blades touch the floor. Any resting should be done in the up position. No rocking hips. If fingers become unlaced, adjustment must be made in the up position.

Push-ups: The hands are placed about shoulder-width apart. The administrator or partner places a fist on the floor below the student's chest at the midpoint of the sternum (unless a male is testing a female). Starting from the up position (elbows fully extended), the student must keep the back straight at all times (no swayback or elevated hips) and lower their body to the floor until the chest touches the administrator's fist. The student then returns to the up position. Any resting should be done in the up position. Modified push-ups are no longer optional for female applicants. All applicants are required to perform standard push-ups as described in (a) and (b) above.

Exit job-specific agility course standard: course #1: officer starts seated in their vehicle, hands on the steering wheel with seatbelt in use and wearing a 10-pound weight belt or vest around the waist to simulate a gun belt. As the timed exercise begins, the officer will:

cross four-foot threshold, run up two flights of stairs and pause for 60 sec. (Rise and Run of seven inches by 11 inches is standard, eight inches by 10 inches or six inches by 12 inches are acceptable. Standard floor landings are 10 feet high.) If only one floor is available it is acceptable to run up, run down, run up and pause 60 seconds. After 60 seconds, run down the stairs and out the door. There is no restriction on how the officer negotiates the stairs; however, both feet must contact the top and bottom stair.

Run 100 feet from the door to a five-foot-high platform, run up steps, ladder, or ramp to the top of the platform, and jump down.

Run 37 and one-half feet, turn and reverse touching the ramp, run 25 feet to a six-foot-high wall and scale it. The wall is constructed of unpainted cinder block with a smooth top. If the applicant chooses, they may drag a rigid aid or object 10 feet from the side of the wall and use it to scale the wall. The rigid object will have handles, a flat top, weigh 50 pounds, and be 25 inches tall.

After scaling the wall, run 50 feet to a handcuff/arrest simulator, put arms down, touch ends, and hold for 60 seconds. The arrest simulator is five feet high with 60 pounds of resistance in the right arm and 40 pounds in the left arm. End exercise. The passing score is three minutes and five seconds.

Course #2: Officer starts from a standing position wearing a 10-pound weight belt or vest around waist to simulate a gun belt. As the timed exercise begins, the officer will:

Run 30 feet straight ahead and jump across a four-foot-wide barrier.

The barrier is low to the ground, e.g., a ditch, highway divider, etc.

The car is occupied by a dummy (victim) wearing a seatbelt and weighing 190 pounds plus or minus 10 pounds. The dummy must meet standards established by the Council.

EXHIBIT 6

Approach the victim's door; open the door; undo the seatbelt; pull the victim out of the vehicle and drag them 20 feet perpendicular to the direction of the vehicle.
Both officer and dummy (victim) must completely cross the finish line to end the exercise. Passing Score 42 seconds.

During the first year of each in-service cycle, which occurs in even-numbered years, the Council shall plan the required in-service training topics for the next cycle. In developing these topics, the Council shall consult with the New Mexico Legislature's Courts, Corrections, and Justice Committee and the Office of the Governor.

The Council shall approve the required in-service topics at its final meeting of the first year of the current cycle. The academy shall use the first nine months of the second year of the cycle to develop the curriculum for the upcoming in-service cycle. The academy may incorporate the approved topics into existing required in-service courses or create a new required course to cover them.

If the Council identifies an urgent or critical topic, such as a change in law or an issue affecting the health, welfare, or safety of officers or the public, the Council may direct the academy to create a class addressing that topic. The Council shall allow the academy a reasonable time to develop and distribute the curriculum. Once developed, the academy may distribute the material to instructors or offer the class as advanced training at any time.

EXHIBIT 6

If an urgent or critical topic is identified during the first year of the current cycle, it may be added to the next in-service cycle. If identified in the second year, the academy shall determine whether there is sufficient time to complete curriculum development before the next cycle begins. If not, the topic shall be delivered as an advanced training class and will not be included in the upcoming in-service cycle.

In-service law enforcement training consists of a minimum of forty hours of academic instruction approved by the council for each certified police officer during each twenty-four-month period of employment or service with a state or local law enforcement agency. The first required in-service law enforcement training period shall commence no later than twelve months after graduation from an approved basic law enforcement training program.
